

# IPSOFACTO IT SERVICES IS YOUR SUCCESS!

LET US HANDLE THE DETAILS, YOU FOCUS ON BUSINESS.

## EXABEAM PARTNERS WITH IPSOFACTO.

Exabeam, is an international business in Network Security Application Development with an office in San Francisco. IPSOFACTO, has been in the Bay Area for over 20 years. With a great reputation we were referred to the client to assist with fixing an unfinished project from another IT Firm. Our team of engineers were tasked with reverse engineering an added security layer into the clients network while connecting their WiFi, data storage, development environment and adding 4 international offices into the new security policy.

## NETWORK SETUP AND IMPROVED IT FOR THE CIL

### MICROSOFT AZURE

Microsoft Azure is an open and flexible enterprise cloud computing platform providing users a more secure, faster environment to do more with, while saving more money.

### WINDOWS AD

Centrally located data storage and communication between servers, users, and domains improving security for the organization and the employee / user information.

### RESPONSIBLE

Verbs and Shapes, IPSOFACTO holds itself accountable to say and deliver as promised, on time and in scope.

## PROJECT PHASES

- 1 INITIAL AUDIT**
