

IPSOFACTO IT SERVICES IS YOUR SUCCESS!

LET US HANDLE THE DETAILS, YOU FOCUS ON BUSINESS.

THE CIL PARTNERS WITH IPSOFACTO.

The Center for Independent living (THE CIL) is a San Francisco organization that provides advocacy and services that increase awareness, collaboration, and opportunity among people with disabilities and the community at large. The CIL has been doing great work throughout the Bay Area and recently expanded their facility. With the expansion came a need to improve IT Infrastructure at the new location. The CIL was referred to IPSOFACTO from a current client to help with the new tasks at hand.

THE CIL ENJOYS THE BEST IN IT FROM IPSOFACTO.

With the expansion to new offices The CIL needed more. More IT and better support. Now, that's exactly what they get. IPSOFACTO, was able to upgrade the entire network and speed, phone system and added a virtualized server allowing constant backups and access to apps via the cloud. To make this possible we used industry leading products and services such as VM Ware, Cisco Meraki, Windows servers, and Mac Workstations with new A / V for the conference rooms. Peace of mind comes with our off-site support and on-site visits.
